To Whom It May Concern:

Due to the possibility of inclement weather, it is necessary that we obtain additional information from you while you board your pet with us. We strongly advise for you to make alternate plans in the event we are forced to close due to the weather. If you are unable to make alternate plans for your pet, we are still able to board **at this time**; however, we must have a name and number of someone available for early pick up if it becomes necessary. The bill for your pet's boarding may be estimated for you at the time of check-in if you'd like to prepay.
